Key Qualifications

Personable and great at communicating;

I like to be direct, organized and have years of practice in balancing an active work and personal schedule.

Experience in both sides of costume and casting work I have an eye for what body type fits the look and patience when working with both experienced and green actors.

I have a passion for my work and love to please my employer almost to a fault, however this quality makes for a tenacious and diligent assistant!

Objective

To help further my knowledge and experience in the industry I've admired since youth. I look forward to what possibilities every work opportunity may bring for my future!
