Relevant Skills and Abilities

Self-starter, skilled in Word, Excel, familiar with use and setup of computers, copiers, scanners, printers, and FAX machines. Comfortable working in a fast paced, high pressure environment. Capable of thinking outside of the box and resourceful, detail oriented and cheerful. I drive both automatic and manual transmission vehicles and my driving record is clean. I'm equally talented at setting up and breaking down sets. I love paperwork and I'm familiar with reconciling walkies, charging bricks, keeping up with petty cash and receipts, basically anything you need on set. I need a bit more practice wrapping pallets but I'm pretty good at loading them. I can work a pallet jack driver. I can wrap stingers, as well as roll flags of all shapes and sizes. I'm well versed on food allergies and various dietary issues, as well. Always happy to help in any way I can.
