EXPERIENCE

CAMERA OPERATOR • PROJECT RESOUND • 7-26-18/8-2-18

- Followed and worked with a professional group of designers.
- Worked with local farmers and food chains to develop and document a new productive distribution network within Cartagena.
- Collaborated with the DP and organized footage shot each day

LIGHTING DESIGNER • G.R.I.T.S PRODUCTION • 9-10-18/11-14-18

- I was in charge of establishing a coherent and productive work environment for the lighting team (40 plus people)
- A lead contributor in the overall design of the lighting plan of about 40 to 50 different lights that all had to be set up and create a flattering light on the actors.

Freelance Photographer • Freelance • 6-7-16/Present

- Shot a wide variety from landscapes to headshots to wedding photography.
- Started a partnership with another student at my college and we have been offering headshot sessions for the large quantity of actors that come to my school.

Gaffer/Best Boy • Orand • 9-18-19

- Senior Thesis Short Film
- In charge of coordinating a team of grips and ensuring a smooth and professional setup for all lighting and rigging.

Electrician • American Expats • 9-27-19/10-6-19

- Graduate Thesis Pilot
- In charge of an even power distribution throughout the shooting location and a proper cable setup through the set.
