PROFILE

Tess is a production assistant, based in Savannah, GA. She has worked on set and in the office on 15 commercial shoots, 1 indie movie, and 2 shorts. She knows how to handle production related tasks such as expense reports, catering, equipment rentals, going on runs, filing paperwork, and managing production supplies and shipping needs.

She is eager to work in production and learn more about the ins and outs of pre-production, being on set, and post production.
