📍 Georgia

I am a detail-oriented and highly organized recent graduate with a degree in Film and Television, seeking challenging positions as a Director's Assistant and/or Producer's Assistant. I am adept at multitasking in fast-paced environments and bring a solid understanding of the film production process as well as a passion for contributing to the creative vision. I am eager to apply my strong communication skills and proactive approach to support the director's and producer's team in executing seamless, high-quality productions.
