WORK EXPERIENCE

SELF-EMPLOYED/FREELANCE

Sound Designer

September 2017 - Present

- Designed sound effects, mixed and edited audio for podcasts, video, voiceovers, and commercials
- Engineered and recorded audio on film shoots and podcast recordings, in studio and with field recorders
- Marketed talents to clients in a competitive field and managed budgets as a self-business

FIVE OHM PRODUCTIONS

Audio Engineer and Technician

NEW YORK, NY
October 2017 – March 2020

- Mixed audio and sound effects for live theatre, corporate events, and concerts
- Programmed audio and video systems for theatre productions and corporate live events
- Contributed talents to hundreds of live productions at dozens of venues with teams large and small

MULTICULTURAL ARTS CENTER

Production Assistant

CAMBRIDGE, MA
September 2016 – September 2017

- Produced and executed over 40 artistic and corporate events including concerts, musicals, weddings, and galas
- Coordinated with clients to bring their events to fruition to the Center's standards of excellence
- Oversaw audio equipment, lighting, stage layout and design, and the venue box office

UNIVERSAL MUSIC GROUP/DEF JAM RECORDINGS

Artist Development Co-Op

NEW YORK, NY
June – December 2015

- Managed artists' schedules and itineraries around event and appearance bookings
- Arranged logistics for artists' events by booking venues, studios, and tour buses
- Budgeted artists' travel expenses using Expensys and ETA technologies

SNELL LIBRARY DIGITAL MEDIA COMMONS

Multimedia Studio Assistant Supervisor

BOSTON, MA
July – December 2014

- Provided audio and video production expertise and oversight to studio users
- Produced music videos, songs, and printed pieces for promotion of the DMC
- Developed and taught four workshops on sound engineering to beginners
- Organized studio user documents using Sharepoint technology
