

Jonah Krier

Set Lighting Technician

Savannah, GA
(785) - 341 - 4028
jonahkrier@gmail.com

Summary

For the past two years, I have spent as much time as possible honing my skills as an Electrician. Starting off on student projects, and eventually graduating to working full time. During this period, I have learned everything necessary to be a capable member of the crew and benefit the production as a whole.

Skills

- Power distribution, running feeder cable (4/0, 2/0, banded, bates, ect)
- Able to set up and operate common fixtures, skypanels, litemat's, HMI's, ect
- Knowledge of running wired or wireless dmx
- Truck management and organization

Experience

2021-Present
