

**KIMBERLY CUTTER-
WILLIAMS M.ED.**

Film Industry | Hair Stylist

24-year licensed beauty professional and Master Cosmetologist experienced in film, print, event styling and so much more. Excellent diverse hair styling ability with the education and expertise to style any ethnicity. Specialty training in hair integration, texture styling, period styling, short hairstyling, hair coloring, and all things hair! Expert training for over two decades has allowed me numerous leadership roles in the beauty industry; from film, award shows, education videos and much more!

My love for the art of hair, professionalism and dedication to the industry is humbly evident in the work produced.

I love this industry and have trained hard to make a great living for my family and will always use my gift to make others smile. I sincerely enjoy the privilege I'm allowed to bring art to life and would love the opportunity to continue in the film industry as a hairstylist. (Ability to travel)
