Blumhouse Productions

Savannah, GA

February - March 2022

Production Assistant/Camera Operator

JOMO Media Group

Savannah, GA

Since May 2021

Work in the studio and on location assisting with all production aspects for commercial and client shoots, ensuring professionalism, efficient shoots, and strive to maintain client satisfaction .

Founder

33rd West Productions

Savannah, GA

Since April 2021

Started a student-run production company during my freshman year at SCAD to harbor collaboration and connection between filmmakers despite the restricting effects of the pandemic. currently oversee and produce all productions for the company, including the work of film students outside of SCAD, and outside of the U.S., coordinating collaborative efforts to provide ample opportunity for networking, connecting, and creative expression for students of all kinds.
