PROFILE

I'm currently a rising Senior at the Savannah College of Art and Design, and am majoring in Film and Television Production. I strive to work with others as a team to do everything in my ability to facilitate the execution of a project. In my career I aspire to work in the grip and electrical departments and progress through those departments as I work on more productions. My strengths are intuition, adaptability, and my ability to work in a team.

EDUCATION

BFA FILM AND TELEVISION PRODUCTION

SAVANNAH COLLEGE OF ART AND DESIGN

Expected to Graduate 2023
