

JENNLAUREN THOMAS-SCHRODER

OBJECTIVE

To find a rewarding opportunity that utilizes my 25+ years of extensive customer service experience, impeccable organizational skills, and detail-oriented work ethic.

EXPERIENCE

INDEPENDENT MASTER COSMETOLOGIST

2/2004 – present day

Responsible for maintaining a successful career as an accomplished hair stylist with the ability to multitask, in a high paced environment, while still catering to the needs of my loyal clientele. I am a certified member of elite hairstylists to receive rigorous advanced color theory training. Throughout my 20 years of professional hairstyling, I was an educator at “The Academy” cosmetology school, a product ambassador for Keune Hair Cosmetics, Holland, Aveda North America, and an “NE” (Network Educator) for the Bumble & Bumble brand. My career has taken me many places, even around the world, for both educational and inspirational endeavors. My work has been showcased in numerous runway shows, including NY fashion week, major motion pictures, photography, and editorial work.

LEAD SERVER/BARTENDER, OWNERS PERSONAL ASSISTANT

5/1997 – 1/2005

Beyond providing excellent service and an inviting experience to all patrons, I was responsible for the organization and leadership of all floor staff. I single handedly developed a protocol to streamline daily responsibilities, as well as developing testing for menu and drink knowledge proficiency. In the off hours, I assisted the owners with organizing and maintaining an efficient system.
