Experience

March 2023 - June 2023

Colten Griffin | Savannah, GA

Jane - Head Production Designer

- Researched set design ideas and locations to fit the wants and needs of the director
- Location scouted with the director, camera head, producer, and gaffer to decide how things will be designed and dressed for shooting days
- Bought and sourced costumes for all actors, including thrifting options and sourcing from personal garments
- Set dressed interior scenes while exterior scenes were being shot on location for day shoots before night shoots occurred
- Sourced props specific to each character such as weaponry and paper products
- Created a spending sheet for the director to see what money was spent where to get reimbursed in the future
- Created moodboards and 3D models to show the set dressing in the space and costume designs
- Created a script breakdown of each scene, character, set piece, costume, prop, and special attribute for the film

December 2022 - February 2023

Heather Hale | Bloomingdale, GA

Undercover Salon - Co Production Designer, Prop Master

- Created a script breakdown with props, set dressing, furniture pieces, characters, and special attributes
- Sourced and made props and set dressing for insert shots such as a tumbleweed
- Sourced and made costumes for the actors with unique looks for each
- Set dressed in multiple locations in a short amount of time
- Created digital aspects of set dressing such as a news report, mugshots, and fake brand

September 2022 - October 2022

Braylee Bennett | Savannah, GA, Tybee Island, GA

Unstoppable the Music Video - Head Production Designer

- Created a script breakdown with set dressing and props
- Sourced and made props for each scene
- Set-dressed interior scenes with lights and props
- Worked in a skeleton crew to achieve the final scene in the production
- Preset and reset props for multiple takes throughout the day
- Assisted in setting up shots during sunrise on the beach

September 2022 - October 2022

Julien Pedro | Savannah, GA

Better Than I Was - Prop Master

- Created a script breakdown with props and set dressing
- Worked closely with the director to create a real Thanksgiving dinner on separate days of filming between two weekends
- Sourced props and created faux glass with sugar and breakaway glass for an injury scene
- Assisted in set dressing the space with decor and taking down once scenes were over
- Assisted in resetting set dress and props for multiple takes
