Emmy-nominated Sound Editor and Re-Recording Mixer Lisle Engle is internationally recognized for his expertise as a sound industry veteran. Born and raised in Savannah, GA, he graduated from Boston University before moving to Los Angeles to pursue a career as a rock vocalist and musician. His love for post-production sound evolved naturally, leading to a collection of countless film and television credits from 1991 until the present. His film credits include *Vanilla Sky*, *American Hustle*, *Austin Powers* and *Monster's Ball*, and his innumerable TV credits include *Mad Men*, *Arrested Development*, *Riverdale*, *Expats*, *One Piece* and hundreds more. He continues to actively pursue sharing his talent with story tellers in TV and film, as well as writing and performing his own original music. Lisle is a long time re-recording mixer for Warner Brothers Post Production, and has recently relocated his own studio operations from Los Angeles to Savannah as a home base for providing superior sound services to filmmakers across the state of Georgia and worldwide.
